ERAYZ

Description

A non toxic rabbit lure proven to be effective in attracting mustelids to cage or kill traps. Manufactured with fresh rabbit.

Uses

Used to attract all types of Mustelids (Ferrets, Stoats, Weasels) to a desired area, trap or cage.

Why use Erayz

- Made using rabbit, a favourite food of ferrets, stoats and weasels.
- Stays palatable and fresh smelling for a period of 4-6 weeks in the field.
- An excellent alternative to conventional short shelf life baits such as fresh or salted rabbit, or fish.
- A consistent bait that will continue to attract mustelids as long as they are in the area.
- Available in a moist paste (#3) or dehydrated (#8).
