

# ANPROFLEX<sup>TM</sup>

## Canine

**DUAL ACTION JOINT CARE FOR DOGS**

**MADE FROM 'COLD PRESSED' NEW ZEALAND GREEN LIPPED MUSSEL**

# Proven, potent anti-inflammatory action to soothe stiff joints and help maintain optimum mobility.

## Anproflex Canine:

Contains a rich source of fatty acids and Omega 3 series PUFAs (polyunsaturated fats); Works faster and offers a pronounced anti-inflammatory activity; Used over long periods will prevent deterioration and even reverse joint damage; Is, weight for weight, more efficient than recognised pharmaceutical compounds.

CONTAINS NO ARTIFICIAL ADDITIVES AND IS  
LOW IN SALT (= GOOD FOR THE HEART).  
WILL ASSIST IN IMPROVING SKIN AND COAT  
CONDITION

Keep your working dogs mobile and  
active while remaining in comfort with  
Anproflex Canine once a day.

Follow label instructions for best results.
