Safety Data
Sheet

Standard Conical Spray

Chemz Dead Azz Insecticide is a powerful, odourless industrial insect killer designed for fast, effective control of flies, mosquitoes, cockroaches, silverfish, and other common pests. The industrial strength formulation delivers rapid knockdown with a high kill rate, making it ideal for warehouses, food processing areas, transitional facilities and container devanning operations. MPI approved, it can be safely used in food handling environments when applied according to label directions. Chemz Dead Azz is suitable for hard-to-reach areas and high traffic industrial settings, providing reliable pest control without leaving residual odours, ensuring hygienic and compliant workspaces.

CHEMZ DEAD AZZ

CODE: 9125

SIZE: 500ml

PROPELLANT: Hydrocarbon

CONTAINS: Tetramethrin 5.3g/Kg D-Phenothrin 1.0g/Kg
Permethrin 1.99g/Kg
