Liquid Mineral Tonic for Calves

A 'READY TO USE' LIQUID MINERAL TONIC AND FEED SUPPLEMENT FOR THE DAILY ADDITION TO MILK OR MILK REPLACERS FOR MILK FED CALVES

20L

NET CONTENT: 20L WHEN PACKED

INGREDIENTS:

Aloe Vera "Pure", Dextrose "Food Grade", Molasses "Feed Grade", Chelated Cobalt, Chelated Copper, Chelated Zinc, Potassium Iodide, Sodium Chloride, Potassium Chloride, Sodium Bicarbonate, Mono Potassium Phosphate, Sodium Citrate Plus A "Special" Palatable Blend.

ACTION:

Specially formulated as a very palatable 'ready to use' tonic and feed supplement to promote good health and growth. Used daily it will help negate any of the stress situations caused by transportation, sickness, injury or nutritional scours.

ADMINISTRATION:

Shake well prior to use. Exercise normal care and administer correctly and as recommended.

DAILY ADDITION RATES:

Daily tonic and feed supplement - add 50mls daily to the milk or milk replacer until weaned. If a stress situation occurs for any reason - add 200mls in 2 ltrs warm water and feed for a minimum of 2 feeds for 2 days, or as required, until normal feeding can resume.

WITHHOLDING TIMES: Meat: Nil

HANDLING AND STORAGE: Handle with care. Store in a cool place. Replace cap when not in use. Keep out of reach of children.

CONDITION OF SALE: as Animal Health Direct Ltd (AHD Ltd) has no control over the storage or use of this product, no liability for accident or damage will be accepted.
