20 Litre

PROBIOTIC TONIC Dairy Cows

Contains beneficial microorganisms that compete with disease causing bacteria, naturally assisting with animal immunity and health issues such as bacterial scours.

DOSAGE PER HEAD AFTER FIRST COLOSTRUM

Cows	100ml per head/day added to feed
Regular feeding	75ml per head/day added to feed
Dosatron	50ml per head/day
Withholding period:	Nil

BASIC INGREDIENTS:

Fermented with *Lactobacillus casei*; *Lactobacillus plantarum*; *Saccharomyces cerevisiae*, the extract of the following herbs: caraway, yarrow, anise, fennel, birch leaf, goldenrod, rosemary, peppermint, and marshmallow root.

STORAGE:

Keep out of direct sunlight. This is a live product and may expand in the container. Formation of yeast flocks is a natural occurrence. Secure lid after use to avoid contamination and spoilage.

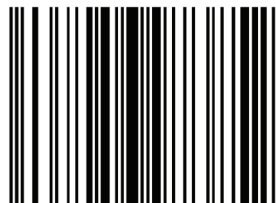

WARNING: Avoid contact with eyes and skin. Wash hands and affected parts on contact. Keep out of reach of children and pets.

DISPOSAL: After use, rinse and recycle according to local council process.
