

INTRODUCTION - HARRY ELSTOB **ANIMAL HEALTH ADVISOR - UPPER NORTH ISLAND**

Hi, my name is Harry, and I am the AHD Animal Health Advisor/Sales Rep for the Upper North Island.

ABOUT ME

I was born in Darfield, Canterbury then I moved up to Hamilton with my family when I was young.

My family has always worked in the Animal Health field with a big connection to farming, so I'm proud to be a part of the AHD team.

I currently reside in West Hamilton with my Partner and 2-year-old daughter.

AHD Ltd (Animal Health Direct) has been operating for 22 years in Hawke's Bay and we sell direct to you from our Warehouse there.

We are 100% New Zealand Owned and Operated and we are proud to offer competitive pricing on our full range of Animal Health Products.

Please feel free to contact me about what AHD could do for you.

I would always appreciate the opportunity to visit you on farm.
